Outstanding Academic Performance Award - Engineering| Regulations

Preamble

The Outstanding Academic Performance Award - Engineering was established to acknowledge the **outstanding academic achievements** of talented RWTH International Academy students. Applicants must be enrolled in **one of the following degree programs**:

- M.Sc. Computer Aided Conception and Production in Mechanical Engineering
- M.Sc. Management and Engineering in Computer Aided Mechanical Engineering
- M.Sc. Management and Engineering in Production Systems
- M.Sc. Robotic Systems Engineering
- M.Sc. Smart Production Engineering
- M.Sc. Textile Engineering
- M.Sc. Resilient Civil Engineering
- M.Sc. Battery Systems Engineering

§ 1 | Principles

a) The *Outstanding Academic Performance Award - Engineering* is open for students enrolled within their **regular study period** in one of the above listed master's degree programs, who achieved a **CGPA of 1.5 or better**.
b) It may be awarded to the **best applicant of each master's program**, considering their overall performance and profile **after completing the third semester**. If two applicants' performance in the same study program is comparably good, the scholarship may be divided between them. Any one student may **receive this Award only once**.
c) Awardees will be honored with **500.00 € education voucher, an RWTH International Academy artwork** as well as an **award certificate from RWTH International Academy**. Awardees can only receive the award if they do not have any liabilities with RWTH International Academy.

§ 2 | Basis of evaluation

The evaluation is based on the applicant's cumulative academic achievements in relation to the number of courses completed and the number of credits achieved. Comparability is an essential requirement. If fewer than two applications are submitted for a study program, applicants will be recognized, but no award will be given.

§ 3 | Required application documents and details

A complete application consists of the following documents:

a) **Letter of motivation**
b) A complete and **up-to-date transcript of records** (record date: 01. June)

Applications must be submitted as PDF-files through the Online Application Portal. Students may apply for this scholarship between **1 June and 30 June each year.** Applications received after this deadline will not be considered. Applications submitted by means other than the application portal will not be considered. Incomplete applications will not be considered.

Applications will be evaluated **after** the application deadline. All applicants will be **informed about the result by e-mail.** Awardees and Honorees agree to **provide a testimonial** for RWTH International Academy.

§ 4 | Escape Clause

The possibility to award this grant is dependent on the financial capital available in RWTH International Academy's student fund. There is **no legal basis for students to claim this award**.
