All-inclusive Master Package

It is a brave decision to take the leap abroad and study an advanced Master's degree program there. At RWTH International Academy, we know the challenges and concerns for international students upon their arrival in their new study home. It is with those experiences in mind that we have put together an all-round carefree package for your first study year in Aachen: our All-inclusive Master Package.

Participants in this exclusive program enjoy
- guaranteed fully furnished accommodation for 12 months
- tuition fees for the first study year included
- participation in two Master’s Prep Courses
- special welcome goodies and events

Accommodation
- Highly modern single private room
- With your own kitchen and bathroom
- Located in the city center
- Check it out at https://housing-aachen.de/

Master's Prep Courses
- 2 preparatory engineering courses included: Mathematics III, Machine Design II, or Mechanics III
- Fulfill any academic requirements
- Excellent prep for your Master’s studies
- Get accustomed to RWTH Aachen University’s learning and teaching standards

Exclusive offers
- Pick-up service from Aachen Main Station
- Special welcome events
- A goodie welcome-bag
- General administrative support
