Student Dormitories
at Studierendenwerk Aachen
Student Dormitories at „Studierendenwerk Aachen“

Locations of the Student Domitories

For more detailed information about the different locations, please have a look at:
Student Dormitories at „Studierendenwerk Aachen“

Some general information

- The halls are located in the city center and the rent is low
- 5.129 places in 24 residence halls are provided in Aachen and Jülich
- different types of rooms are available:
  - classic single rooms and apartments
  - shared apartments (WGs)
  - family apartments for students with children
  - accessible apartments for students with disabilities
- Most rooms are partly furnished and have high-speed internet access
- All residence halls are equipped with washing machines and tumble dryers that can be used for a fee
- Unlike the rents on the private housing market the rents are generally all-inclusive, so there are no additional payments.
- There are common rooms provided where the residents can meet in their free time, learn together, celebrate or do sport together
- The hall councils organize social events like foosball tournaments, club nights or special events for new residents
Online Application

It is recommended to apply for a place early! Best as soon as you know that you might take up your studies in Aachen because the allocation of student dormitories takes place by chronological order of applications submitted.

**Being enrolled** at university is **not necessary** when you apply! Only when you sign the rental agreement you will be asked to submit your enrollment certificate. It will be easier to get a room or apartment if you are flexible about the move-in date (August/September would be best) and the room type.

The following link leads you to the Online Application:

Student Dormitories at „Studierendenwerk Aachen“

Online Application

Please make sure to answer all questions you will be asked within the application process. It increases your chances of getting a dorm.

Especially writing about your hobbies, Master's degree program and your expectations about living in a student dorm are useful information.
The most important German words you need to know

- Ansprechpartner – contact person
- Belegungsausschuss - assignment committee, occupancy team
- Bewerbung – application
- Hausmeister – facility manager
- Miete – rent
- Miete „kalt“ – rent amount without additional costs (prices for heating, electricity, gas etc.)
- Miete „warm“ – rent amount incl. additional costs (normally prices for electricity and gas are not included)
- Sprechstunde – office hours
- Rückmeldung – re-registration; confirmation
... and please, remember:

- There are 5.129 places in the student dorms and more than 45000 students in Aachen and Jülich
- Apply as early as you can for a place in a dorm
- Fill in the application form as careful as possible, the number of competitors is very high!
