

**RWTH International Academy**  
**MAC Physics High Potential Scholarship**

**Preamble**

This scholarship was created to enable prospective Physics Master students to participate in the Master's College Physics support program, offered by RWTH International Academy. RWTH International Academy offers this scholarship to support more international students to have a smooth on-boarding process into their English-taught M.Sc. Physics degree program at RWTH Aachen University. It is intended for all students who are admitted to the M.Sc. Physics at RWTH Aachen University.

**§ 1 Principles**

The scholarship may cover up to 50% of the tuition fees for the respective Master's College Physics. The regular tuition fee for the Master's College Physics is EUR 4,950.

**§ 2 Required Qualification of the Students**

Participants in the Master's College Physics 2019 who have a good performance in their Bachelor studies but nevertheless received admission requirements are eligible for this scholarship. Students who already receive funding for the required tuition fees are not eligible to receive this scholarship.

**§ 3 Duration**

The scholarship is a one-time refund on the regular tuition fee. It may cover up to 50% of the EUR 4,950 tuition fee for the respective Master's College Physics.

**§ 4 Registration Process and Application Deadline**

The application for this scholarship has to be submitted until 30 May 2019 via email to the following address: [masterscollege@academy.rwth-aachen.de](mailto:masterscollege@academy.rwth-aachen.de). Participants of the Master's College Physics 2019, who submit the application for the scholarship are eligible to receive funding. Applications received after 30 May 2019 cannot be considered. The required documents for a complete scholarship application are:

- Letter of intent (400 words)
- Curriculum vitae
- Proof of social engagement / charity work

Incomplete applications will not be considered.

**§ 5 Letter of intent**

In your letter of intent you should specify your motivation for applying for this scholarship. You should cover the following points: your motivation for the desired course of study, your reasons for choosing RWTH Aachen, your drive for social engagement and your future goals. Your letter of intent should follow a clear, logical structure.

**§ 6 Escape clause**

The awarding of this scholarship is dependent on the availability of the financial capital of the RWTH International Academy student fund. There is no legal basis for students to claim this scholarship.

Aachen, 26 April 2019
